Never lose Hope!

Without question, we are experiencing the most exceptional of times. As the country continues to reopen we still hesitantly keep an eye on the daily figures of new cases and sadly, deaths.

All of us have been affected by Covid_19 - either through illness, financial strain, isolation or bereavement. St. Paul in his letter today encourages us to keep going. Our eternity spent with the Lord in heaven is our destiny if we so choose it.

As a society we have done remarkably well in suppressing and flattening the curve of the virus. Please God our efforts and sacrifices continue to bear fruit. We can rest assured that the daily prayers which were and continue to be made from our homes and places of worship are heard by God, and his faithfulness and love will always win out.

Thank you to all our parishioners who continue to support their parish during this time. Your generosity and prayers are very much appreciated. May God bless us all and continue to keep us safe and protected.

Exposition of the Blessed Sacrament Monday to Friday in the Cathedral from 6pm to 8pm.
