Towards Peace

Towards Peace is a service offering spiritual support to those who have experienced abuse perpetrated by Church personnel, individually or institutionally. The vision of Towards Peace is to provide a safe, supportive space for people and their families, whose spiritual life has been damaged by abuse. It is also a response to the continually growing understanding of the spiritual impact of the trauma of abuse. Towards Peace provides spiritual support through one-to-one spiritual direction sessions, with a qualified spiritual companion.

If you have been affected by the above and would like a space to reflect on the impact of the trauma of abuse on your own relationship with God and spirituality, Towards Peace is here for you.
