## Do I Trust in God?

Just as the Apostles had to learn to rely upon the providence of God in all things, so God wants the same for you. He might not call you to go forth on a mission without any physical provisions like in today's Gospel, but He does want you to learn to trust Him always. Perhaps that means donating more than money to the poor or to the mission of the Church as a way of showing you trust in God. Perhaps it means buying less for you and learning to live more simply. Or perhaps it means taking a step in faith by speaking to a friend about the Gospel, engaging in an apostolic ministry at Church, or stepping out in faith in some other way while you learn to put your trust in God. It may require you reaching out to those you do not agree with and try to understand them rather than judging them. Trust in God means you overcome fear and worry as you journey through life and fulfil the mission God has given to you.

Reflect, today, upon the fact that God wants you to learn to trust Him in all things and to especially trust that He will use you to share the Gospel with others. If you find this fearful, that is a good interior discovery. It means that you have found the fear that is holding you back. Whatever that may be, step forward in faith and conquer that fear. God will provide for you, giving you what you need to wonderfully fulfil His divine mission in your life. You are a child of God and your asked to live a life that reflect that truth, to be a light in the world a sign of Hope for those without.
