## Come to me!!!

Today's readings show us very clearly God's care for each of his children and the immense power, beyond the laws of nature, with which he is able to fulfil his plans.

Nothing is impossible for God. With a little food He can feed thousands, there is no disease He cannot cure, even the dead He can raise... For all things belong to Him, and He is the only Lord. All I and you have to do

to experience His love and power is to come to Him and throw ourselves into His embrace. To cling to Him like a child who feels safe only in the arms of a parent. For that is the reality. It is only in and with God that we will be able to grow and ultimately become our true selves. Without His power and care we will be like dwarf plants, not only unable to bear fruit, but doomed to extinction. As always, the choice is ours, but if you really want to grow, to experience peace and love without boundaries, there is no other way. Think of what the Lord wants to offer you, what immeasurable riches He wants to give you. And although the road to these treasures is not easy, remember that you are not alone on it. Jesus will always be with you, and with him you will succeed! Decide wisely and act. The Lord believes in you.
