The Irish Cancer Society is seeking compassionate volunteer drivers

As a volunteer driver you would be bringing patients undergoing chemotherapy to the hospital and back home for their treatment. Gifting your time means that cancer patients will have comfortable (one on one) transport to attend appointments for their lifesaving treatment.
If you can spare 2 days per month, have a valid driving licence, and a safe, reliable vehicle, you are the perfect candidate to make a significant difference. The Irish Cancer Society will provide you with training before you start as a driver for us. Your generosity not only eases the journey for many during a challenging time but also offers comfort and support when it's needed most. For more information and to become a volunteer driver, please contact Monica or Emily at volunteer@irishcancer.ie
